Statement of originality and authorship

1. I confirm that this manuscript is original and is not currently under consideration for publication by any other scientific journal.
2. I confirm that no part of this manuscript is duplicated or violates the copyright of others.
3. I attest that I made an important scientific contribution to this study and assisted with the drafting or revising of the manuscript in accordance with the definition of authorship given by the International Committee of Medical Journal Editors (ICMJE).
4. I fully agree with the data and conclusions presented in the final manuscript.

Copyright assignment agreement

I hereby assign all rights, including but not limited to copyright, for this manuscript to The Korean Society of Neonatology upon its acceptance for publication. I understand that The Korean Society of Neonatology has the right to publish, republish, transmit, sell, and distribute the manuscript in the journal or other media.

Potential conflict of interest disclosure

We declare that all potential conflicts of interest—or a statement that no conflicts exist—are included in the manuscript's acknowledgments. Disclosures can include financial support for the study, consultation fees, and stock ownership or other relationships with a company whose products or services are related to the subject of the study.

All authors agree to the terms outlined in this document and approve the submission of this manuscript to The Korean Society of Neonatology for publication.
